\*\*\*\*\*  
OTHER COMMENTS\*\*\*\*\*  
\*\*\*\*\*

This right is limited to the diversion of 0.122 cfs of water during the period from November 1 to the last day of February, inclusive. During the period from March 1 to October 31, inclusive, if the flow of water in the ditch is 7.0 cfs this right may divert water up to and including 0.122 cfs, which is water saved by the concrete lining of the ditch.

The 2.8 acres of irrigation was divided up between the 57 residencies equaling 0.0491 acres per lot.

One residence was incorrectly described in the SW1/4NW1/4 on certificate 12523 so it has been corrected and mapped in the SW1/4SW1/4 matching the proof and actual location of the residence.
